

PestPole™

EXTENSION POLES

BUILT FOR EVERYDAY USE

Introducing a revolutionary pole family for the pest control industry. Available in four handy sizes up to 30 feet. Features a universal Acme thread for a variety of pest control tools.

Universal Acme Thread

Clamp Unlocked

Clamp Locked

Adjustable Clamp

POLE FEATURES

Powder coated aluminum provides for a long service life, and easier on the hands than a round pole

Industrial strength clamps that won't fail and are fast and easy to adjust, no guessing if the clamp is tight

Oval shape with a texturized rubber grip for extra rigidity

Short collapsed lengths to fit in PMPs vehicles
